Cool weather has arrived and that lets us know that the holidays are on the way.

Our annual Christmas dinner is scheduled for Wednesday, December 4th, at 6 p.m. at the Mt. Healthy United Methodist Church, 7612 Perry St. We invite everyone in the community to attend. It is not a members-only event. We will have dinner and a program. More information on the program will be available on our Facebook page and website beginning in mid-November. This is a potluck dinner and everyone is asked to bring a dish to share. Please RSVP to Penny Huber at 931-6420.

“Christmas in Mt. Healthy” will be celebrated on Saturday, December 14th, with many fun activities throughout the city. Our Museum Open House will be 1:00 to 3:00 that afternoon. We hope you can stop by for refreshments, children’s crafts, Santa, and entertainment. From 2 to 3 we will have singing and dulcimer music by Ben, Gerry, and Friends. Come celebrate Christmas with us!

If you need gifts for friends or family, remember the Mt. Healthy history books and other items we have for sale at the museum. It’s a great way to promote Mt. Healthy and support our Historical Society.

Penny Huber, president

The Mt. Healthy Historical Society Museum is open most Tuesday and Saturday mornings, 9-11, and the first Sunday of each month (except January and February), 1-3 p.m.

## *A Mt. Healthy connection at the Smithsonian*

Part of an exhibit of First Ladies' inauguration gowns at the Smithsonian Museum of American History, this was worn by Caroline Scott Harrison at the 1889 inauguration of her husband, Benjamin Harrison. The Scott family lived in Mt. Healthy for a time while Caroline's father taught at Farmer's College in College Hill. Their home was what our older resident fondly recall as Ludwig Shoes, now the green building at the northwest corner of Compton and Hamilton.

## *July program: Pioneer Life in the Ohio Valley*

On July 17 we offered a program on life among the pioneers of the Ohio Valley. Our presenter came to us from Great Parks, and shared interesting items and facts about what life was like when the first white settlers came to this region. She talked about how these pioneers would have used the natural materials available to them, what they would have eaten, and more. About thirty people attended, to learn about what life was like two hundred years ago.

Our thanks to our business members.  
Please support these local businesses!
